

## It Is Now Easier for Global Talent to Work and Live in Taiwan

Amendments to the *Act for the Recruitment and Employment of Foreign Professionals* are officially in effect on January 1, 2026. Find out how the changes benefit you →

## Pathways from Study to Work

International students and overseas compatriot students who graduate from Taiwanese universities can now work in Taiwan for up to two years **without a work permit**.

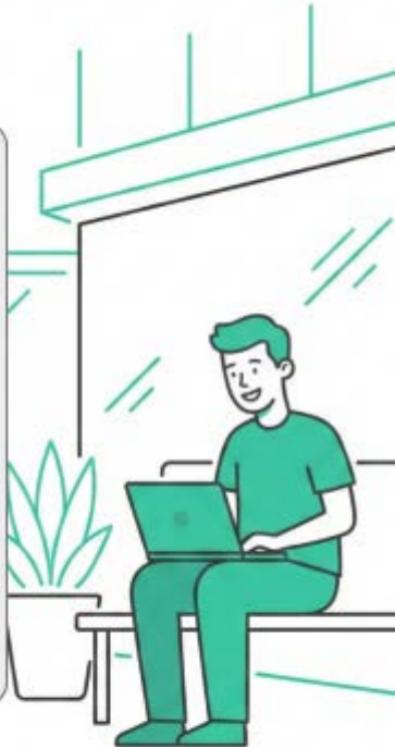

The new rules also ease employment restrictions for graduates of leading universities overseas.

## Fast-Track to Permanent Residence (APRC)

International students and overseas compatriot students graduating from Taiwan can now shorten their required stay by **1 to 3 years**.

Meanwhile, high-level professionals who meet the criteria can choose to apply for permanent residence after just **1 year in Taiwan**.

## Stronger Social Security Coverage

Foreign professionals can now join the **labor pension system** without first obtaining permanent residence.

Meanwhile, permanent residents (APRC holders) are now eligible to participate in **employment insurance**.
